Department Introduction

Sejong Cyber University's Department of Cartoon & Animation teaches everything from foundational fine art such as drawing and painting to print comics, webtoons, web novels, 2D/3D animation, illustration, and concept art. The department produces digital content production specialists, content planners, and art-education instructors.

Department Description

The curriculum is divided into three specialization tracks: Webtoon/Web Novel, Animation/Video, and Illustration/Concept Art. Each track has its own dedicated course roadmap so you can focus on deepening the field you want to pursue. The Webtoon/Web Novel track is the first webtoon/web-novel-related track opened at a cyber university in Korea. Graduate career paths include webtoon writer, web-novel writer, 2D/3D animator, concept artist, illustrator, and game graphic designer.

What makes Sejong Cyber University's Cartoon & Animation different?

- 01 **The only department among Korea's cyber universities with hands-on facilities equal to a brick-and-mortar campus: Wacom Cintiq 22HD tablets and computers loaded with 2D-3D graphics software.**
- 02 **Guest lectures by well-known webtoon writers**
Yoon Tae-ho (Misaeng, Moss), Joo Ho-min (Along with the Gods), and Lee Jong-gyu (Big Man, Legend of the Fist).
- 03 **Programs such as the webtoon practicum class (webtoon siljeonban) open the way to debut as a professional webtoon writer.**
- 04 **Digital Comics Expert certification**
the first webtoon-related private certificate registered with Korea's Ministry of Culture, Sports and Tourism; also Concept Art Design Expert (2018).
- 05 **Faculty includes Prof. Lee Hyun-se**
former President of the Korea Cartoonists Association.
- 06 **An admission scholarship for all incoming students**
which can be received together with the National Scholarship.
