## 상담심리학과

일상을 멈추지 않고 시대를 앞서가는 상담전문가 양성

### Department Introduction

The Department of Counseling Psychology at Sejong Cyber University trains counseling psychology professionals with both academic rigor and a healthy character.

### Department Description

In a rapidly changing society, the importance of human mental health is increasingly recognized. The department nurtures students to understand, heal, and grow alongside themselves and others, becoming mature counselors. The Department of Counseling Psychology trains clinical and counseling professionals who master both counseling theory and field practice skills.

# What makes Sejong Cyber University's Counseling Psychology different?

---

01

## **A full psychology-counseling-psychotherapy curriculum**

plus unique courses: AI-based metaverse counseling, neuroscience & psychology, and neuropsychological assessment.

02

## **Partnerships with various hospitals for psychotherapy practice**

and counseling centers in Cheonan, Ansan, and Seoul Boramae for counseling practice.

03

## **Practice and training at the campus Counseling Psychology Center**

plus internships/residencies from post-national-certification through pre-employment, available both online and offline.

04

## **A certification academy and specialist programs to help students earn both national and private certifications.**

05

## **Regular online and offline guest lectures at least once a month**

including via the metaverse campus for students outside the city or abroad.
