Department Introduction

The Department of Tax, Accounting & Finance trains cross-disciplinary experts able to solve problems in taxation, accounting, and finance, backed by a practical, realistic sense of business.

Department Description

The curriculum brings together three closely interconnected fields — tax, accounting, and finance — through a staged approach from basic to intermediate to job-ready advanced application. The department provides individualized support for professional certifications such as Certified Public Accountant and Certified Tax Accountant, career counseling for civil-service exams in tax/accounting positions, and a dedicated pathway into the graduate MBA program.

STUDY FORMAT

100% online (taught in Korean)

What makes Sejong Cyber University's Tax, Accounting & Finance different?

01 **Live and real-time Zoom classes for direct faculty-student communication**

with tax, accounting, and finance taught in an integrated way.

02 **Many easy-to-understand foundational courses (such as everyday tax stories**

basic accounting, and simple financial terms) for students with no background in the field.

03 **Tax courses (taxation**

corporate income tax, personal income tax, VAT) are deliberately scheduled for years 3-4 so students have a stronger accounting foundation first.

04 **Tiered stock-investment courses**

from introductory level through sector fundamental analysis and portfolio management.

05 **Free cross-year course registration**

making it easy for transfer students to shape their own study plan.

06 **A 30-50% alumni scholarship when advancing to the Sejong Cyber University MBA or Sejong University's graduate business school.**
